

**FACT CHECK: ADMISSION PROCESS FOR COVID-19 AFFECTED PERSONNEL IN BASE HOSPITAL, DELHI CANTT ( BHDC)**

<b>Issues</b>	<b>Fact</b>
<b>Reception</b>	<ul style="list-style-type: none"><li>• All personnel, whether serving or veterans, and their dependents are guided to the Reception Centre by the administrative staff. There are no long lines in BHDC.</li><li>• The waiting queues of patients irrespective of category (serving, retired or dependents) are managed through token system.</li></ul>
<b>Identifying critical patients</b>	<ul style="list-style-type: none"><li>• At the Reception, an immediate triaging takes place by qualified medical officers who then segregate the patients based on the severity of their diseases. The triage does not take more than 5-10 minutes. Based on the recommendations of the medical officer, the patients are either advised home isolation or sent for further admission.</li></ul>
<b>Medicines for Home Isolation</b>	<ul style="list-style-type: none"><li>• For patients advised home isolation, pre-packed medical supplies are issued. Such patients are adequately counselled.</li></ul>
<b>Capacity Expansion</b>	<ul style="list-style-type: none"><li>• Identifying patients requiring immediate medical intervention is solely a medical decision. The hospital is working in excess to its existing capacity.</li><li>• Prioritisation is being done with the sole aim of <u>saving</u> maximum lives.</li><li>• Concurrent efforts are on to enhance the capacities. The capacity was enhanced from 340 beds (including 250 oxygenated beds) to 650 beds (including 450 oxygenated beds) in end April 2021. Work is in progress to increase number of oxygenated beds.</li></ul>
<b>Suggestions &amp; Feedbacks</b>	<ul style="list-style-type: none"><li>• All constructive criticism / suggestions are being taken note of and concurrent steps to enhance medical care are being implemented.</li></ul>
