We construe this as ‘National Social Responsibility’. Besides the efforts of Director General Resettlement (DGR), a strong necessity of having an in-house facility was appreciated way back in 1995. After due deliberations over a period of time Army Placement Agency (APA) was raised in May 1999 to help our veterans in finding suitable jobs in private and public sectors. Its scope was enhanced to include Veer naaris and their wards.

This feature especially useful for the JCOs, OR and Widows categories, as they are lacking the resume, which is an essential requirement for sponsoring the name to civil
employer. Facility for online payment of registration fee is also incorporated on the site. Candidates can now pay registration fee using debit/credit card on the directly website, for detailed info, please visit the website.

EXECUTION OF WILL

General

1. All Wills should be clear-cut unambiguous and precise. Please refer to AO 4/91.

2. An Executor can be a beneficiary under the Will.

3. Witnesses cannot be beneficiaries under the Will.

4. All Wills are revocable. However, in case of revoking any Will especially so a registered Will— it should be clearly stated in the latest Will that, “All previous Wills, whether registered or un-registered, whatsoever and wherever, stand revoked and cancelled”. This will avoid any controversies.

5. It should be noted that a registered Will takes precedence over an un-registered Will. Hence in case of any revocation or alteration of an earlier Will, the latest Will must be registered.

6. Probate is mandatory for immovable properties situated in West Bengal, Pondicherry, Chennai and Mumbai. The Executor of the Will has to apply for the probate in the courts concerned in these States.

7. Probate is not necessary in other States of India, especially so if the Will is a valid registered document.

Choice of an Executor

8. Execution of any Will rests with the Executor of the Will. Hence it is imperative that the executor be an honest, trustworthy and reliable person.

9. It is advisable to have a younger person in good health as an Executor, to try and ensure that he/she does not pre-decease the Testator of the Will. To avoid such an eventuality, an Alternative Executor may also be appointed in any Will.

10. It is advisable to appoint a reliable lawyer as an Executor, in case the property has to be divided amongst different heirs, or if a Will gives only life interest to any one person and thereafter the ownership rights vest with someone else.

11. The Executor must know the contents of the Will and be will and be willing to execute the Will according to the wishes of the Testator.

12. The Executor must be a resident of the same town as the Testator, to enable him to execute the concerned Will, legally and expeditiously.
13. Witnesses need not know the contents of the Will, but they must be present at the time with the Testator and all of them must sign the Will in the presence of each other.

14. Beneficiaries cannot be Witnesses to any Will.

15. Witnesses should preferably be younger to the Testator, of sound integrity and good financial position, to ensure that they cannot be “bought over” by any disgruntled beneficiary or relations.

16. Witness should also be permanent residents of the same town as the Testator, so that they can easily give evidence in Court, if so required.

17. It is advisable Not to disclose the contents of a Will to the beneficiaries. Such disclosure generally leads to un-necessary arguments, and harassment of the Testator.

A WORD OF CAUTION

18. It has been observed that the tendency to treat the elderly dependents with a degree of callousness, is becoming rampant in our society today. It is therefore advisable that the Testator of WILL makes full provisions for financial independence for self and spouse while executing a Will.
**ACTION TO BE TAKEN ON DEMISE OF LIFE PARTNER**

1. In case of death due to an accident lodge an FIR at the nearest Police Station, and get their written clearance before last rites are performed.

2. Arrange last rites even in cases of natural demise only after getting Medical Certificate of Death from a doctor. Intimate location, date and time for ‘Chautha’/Prayer meeting to all concerned preferably through an insertion in the News Paper(s).

3. Publish Obituary in Local Paper(s).

4. Obtain Death Certificate - 20 or more copies from the Municipal Authority for Registration of Births and Deaths. These are required to be submitted with all claims.

5. Forward the information with certified photocopy of the Death Certificate and relevant details of the deceased to the following: -
