1. Mumbai is a hub of commercial activities and with numerous opportunities available to veterans (JCOs/OR) to take up jobs. The hostel has been est in Colaba under the aegis of HQ MG & G Area. [The facility can accommodate 30 veterans and is being run as a self-sustaining venture, with facilities like ante room, dining hall, washing room, ironing room and box room for the occupants.]
2. You are requested to disseminate this info to the envt so that max veterans can avail the facility.
