

**Veteran Matters**

1. To supplement country's effort to fight COVID -19 pandemic, Umang Sub Area has mobilised a large number of Exsm belonging to Uttar Maharashtra and Gujarat to assist State Govt and other organizations in performing public outreach activities such as community surveillance, contact tracing, management of quarantine facilities, assisting local police as CPOs (Civil Police Offrs). More than 200 veterans have been assisting the police in data collection from villages and also carrying out various awareness programmes in rural areas to empower the masses to thwart COVID menace.
