MESSAGE

1. Directory of Equation of Service Trades and guide to registration of Defence Service applicants for employment was last published in 1986. With the passage of time and fast technological developments, a number of additional Service Trades and Civil Trades have come into existence. There was, therefore, an urgent need to revise the Directory to meet the present day requirements of Ex-Servicemen.
2. The publication of this compilation has been possible with sustained combined efforts of Directorate of Training in Dte Gen Resettlement, Dte Gen Employment & Training, Ministry of Labour & Employment and three Service Headquarters.
3. I am sanguine that this new addition of the Directory will act as an all time guide to Employment Exchanges and Zila Sainik Boards in identifying equivalent civilian posts for Ex-Servicemen who are aspiring for a second career, thus facilitating their registration and in seeking suitable employment. This will also help perspective employers in obtaining the correct human resource from DGR/ ESM community.
